Panel 1

At the Verge of the Veil

Free, a sleek red fox with sharp amber eyes, pauses at the edge of the familiar woodland, gazing intently into the dense, mist-shrouded threshold of the enchanted forest.

Panel 2

Whispers in the Mist

Free stalks silently through the heart of the forest, surrounded by colossal gnarled trees and glowing bioluminescent flora that illuminate the swirling fog.

Panel 3

The Lurking Presence

Free freezes and bares teeth bravely as a towering, shadowy forest phantom with glowing violet eyes materializes between the ancient trunks.

Panel 4

Leap of Faith

Free springs heroically across a crumbling ancient stone bridge suspended over an abyss of swirling arcane light to escape the closing shadows.

Panel 5

Sanctuary of the Ancient Core

Free stands proudly upon a mossy stone altar in a vast clearing, bathed in golden rays radiating from a giant luminous tree at the forest core.
